South Kanara Collector's Office,

From

Collector of South Kanara

To

The Secretary to the Board.

S i r,

Assignment- land--Udipi Taluk and town--Mudanidambur village--
S. No. 129/1B--0.17 acre--Parish Union of the Diocese of Mangalore--
sanction--solicited.

1. The Secretary of the Parish Union of the Diocese of Mangalore has applied for the assignment of S. No. 129/1B of Mudanidambur village measuring 17 cents in extent as it forms the road frontage to S. No. 129/1C owned by the Union. The plot applied for stands registered as assessed waste and lies within the town limits of Udipi.

2. S. Nos. 129/1B and 1C had been given on temporary assignment to Dr. A. F. Mathias in 1904 as they formed the road frontage to his house compound in S. No. 128/9B. In 1926, the Taluk Board, Udipi, requested cancellation of the temporary assignment of the two plots and their alienation in favour of the Board for public purposes. The Collector, on inspection found that the erection by the Taluk Board of any buildings on the plot would block the road frontage of the house in S. No. 128/9B and accordingly directed the permanent assignment of S. No. 129/1C to its temporary assignee leaving S. No. 129/1B for the road margin. S. No. 129/1C was assigned to the widow of Dr. Mathias on collection of site value from her and S. No. 129/1B remained as road margin. The Parish Union has purchased S. No. 129/1C from Mrs. Mathias and she has no objection

to the assignment of the plot to the Union

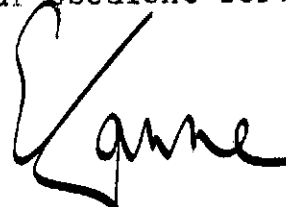

2. The Taluk Board, Udipi, when consulted has objected to the assignment of the plot. But there is no force in its objection. The road at the place is more than a chain in width and there is no object in retaining S. No. 129/1B as road margin. S. No. 129/1A1A3 lying to the north and S. No. 128/4 lying to the south are in a line with the eastern boundary of S. No. 129/1B. Although S. No. 129/1B has remained vacant for the last seven years the local Board has found no use for it and its further continuance as road margin does not seem to serve any useful purpose. On the other hand it gives an untidy appearance to the locality. In other places in Udipi I have had complaints that broad road margins mean places for pigs and cattle to live as there is no one to take any care of such places. I know this is true. A regular line of road margin is preferable to a road margin of varying widths. I, therefore, recommend that the Government may be moved to accord sanction for the assignment of the plot to the Parish Union of the Diocese of Mangalore under B.S.O. 21.

3. The land is valuable and site value at Rs.2,000 per acre may be levied. The Secretary of the Parish Union is willing to pay site value at this rate.

4. S. No. 129/1C adjoining the plot in question is the only piece of land owned by the Parish Union in this village. It is 19 cents in extent and is valued at Rs.400/-. In this district, the Union owns 144.57 acres of land valued approximately at Rs.9716-2-0.

5. Eyesketch(in duplicate)is enclosed.

Your obedient servant,

Collector.
